Committee

General Chairs

Chee Peng Lim, Deakin University
Qijun Zhao, Sichuan University

Program Chairs

Vijayakumar Varadarajan, The University of New South Wales
Keren Fu, Sichuan University
Dakun Lai, University of Electronic Science and Technology of China

Publication Chair

Bohui Ma, Xi'an University of Posts&Telecommunications

Finance Chair

Jin Zeng, Southwest University of Science and Technology

Steering Committee

Chee Seng Chan, University of Malaya
Guangming Lu, Harbin Institute of Technology
Gang Wang, Xi'an Jiaotong University

Topic

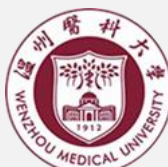

- ◇ 3D computer vision
- ◇ Action and behavior recognition
- ◇ Recognition (object detection, categorization)
- ◇ Representation learning, deep learning
- ◇ Machine learning architectures and formulations
- ◇ Image retrieval
- ◇ Optimization and learning methods
- ◇ Video analysis and understanding
- ◇ Computational photography, image and video synthesis
